Dear Dr. Edwards:

I would like to thank you again for your assistance to me as an expert consultant and a witness in a chiropractic negligence case that I settled recently here in the Jefferson Circuit Court. Your knowledge of the subject matter, medicine, standard of care and other relevant factors were extensive and very helpful to me from the inception of my case to its conclusion. However, and equally important, were your candid evaluations of the strength and weaknesses of both sides of the case. Additionally, and very important for me and all lawyers, was your accessibility and your diligence in reviewing topics and getting back to me with your thoughts.

Thanks again and be sure that you will be the first person I call if I have a similar case in the future.

Sincerely,

PARKER & O'CONNELL, PLLC
