To Whom It May Concern:

This law firm hired James D. Edwards, D.C. and Expert Chiropractic Consultants to consult on a medical malpractice case and we could not be more pleased with their work. Their expert opinion demonstrated a solid grasp of the legal and standard of care issues and was central to the case being settled.

If you are seeking knowledgeable, highly qualified chiropractic experts, I recommend James D. Edwards, D.C. and Expert Chiropractic Consultants without reservation.

Sincerely,  
THE STONE LAW FIRM, PLC
